Ref.: Vuestra Nota NO-2018-40234830-APN-DIRECTORIO#ENARGAS y Nota NO-2018-41881239-APN-DIRECTORIO#ENARGAS. Ajuste semestral y traslado de precio de adquisición - Octubre de 2018. Rectifica nuestra nota AR/JR/GC/mja/1497 de fecha 29 de Agosto de 2018

De nuestra mayor consideración:

Nos dirigimos a ustedes con relación a nuestra nota AR/JR/GC/mja/1497 de fecha 29 de Agosto de 2018 relacionada con el ajuste semestral y la aplicación del traslado a tarifas del precio de adquisición de gas y las diferencias diarias acumuladas en los términos del numeral 9.4.2 de las Reglas Básicas de la Licencia de Distribución (RBLD), a partir del 1 de Octubre de 2018.

En tal sentido, en los Cuadros Tarifarios de Gas Natural presentados como Anexo II se indicó que para los meses de Enero 2019 a Marzo 2019 el precio de gas G1 se determinó considerando como tipo de cambio, correspondiente a la fecha de pago de cada factura, el establecido por el ROFEX el día 28/08/2018. Ello es correcto para los valores correspondientes a la oferta de IEASA, dado que eso se condice con la condición de pago ofrecida por este comercializador.

Sin embargo, para el precio de gas de los restantes proveedores, no fue esa la condición ofrecida por esta Distribuidora, y por un error involuntario se tomó esa misma variable. .

En consecuencia, se adjuntan en papel los nuevos Cuadros Tarifarios de gas natural, con vigencia a partir del 1 de octubre de 2018, resultantes de aplicar la modificación indicada en el párrafo precedente y en soporte magnético los papeles de trabajo con el nuevo cálculo del G1.

Sin otro particular, saludamos a Uds. muy atentamente.
